# ABOUT US

We are a family run, award winning business with family values and over 20 years experience supplying the retail market. We supply sectors as diverse as: large multiple store groups, small independent stores, online portals and market traders.

The business has it's own production facility within Bangladesh and also works with co-operative mills in order to enable it to offer the complete retail and institutional textile product range.

We pride ourselves on being a leading ethically sound manufacturer of home textiles to the world and our quality control, reliability and competitive pricing have all been areas that we believe have been the hallmark of our success.

---

**All orders are now subject to a potential 25% freight surcharge.**
